Metrics on Average

- ✓ **We manage our processes and quality** through measuring key metrics of our operations
 - Average Phone Calls (per month): **18,379**
 - Average Hold Time: **11 seconds**
 - Phone Call Abandon Rate: **less than 1%**

Why Outsource Payroll

- According to IRS statistics, 33% of employers make payroll errors.
- Roughly 40% of small businesses incur an average of \$900.00 annually in penalties and fines
- Processing payroll internally is time consuming and non-revenue producing
- BASIC assumes full liability when processing your payroll and tax payments

Why Outsource Time & Attendance

- Automated timekeeping ensures cost savings
 - Example: Employer with 15 hourly employees making \$12.00 an hour. Each employee “skips out” an average of 4 minutes per day resulting in a loss of around \$9,000 annually for that employer.

Why Outsource Time & Attendance

- FLSA overtime rules effective 12/01/16
 - Salary thresholds raising
 - More overtime protection for salaried employees
