

# **INVESTMENT TOOLKIT**

# What is the Investment Toolkit?

The assets in your Health Savings Account (HSA) are invested in mutual funds that have been pre-selected for the plan by the Plan Fiduciary. You may also have the option of moving money between available investments depending on the provisions of your benefit plan. This document explains how to navigate to and use the Schwab Retirement Technologies (SRT) investment portal.

# How do I sign in?

Go to <u>cda.basiconline.com</u>. Before you can sign in for the first time, you must sign up. Under **First time here?** click the green **Sign up** link. Enter your email address (the same one you used for enrollment) and create a password, then follow the on-screen instructions to complete the process.

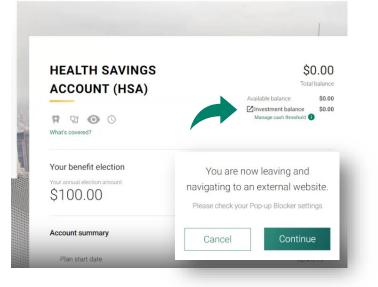

# How do I access my investment balance?

For enhanced security, BASIC provides Single Sign-On (SSO) functionality for investment-related benefit accounts. Select *Benefit Accounts* from the top navigation bar and choose your benefit plan from the drop-down menu. Then, click the green *Investment Balance* link on the next screen.

You will get a warning stating that you are now leaving BASIC and navigating to an external website. Click on *Continue* to proceed.

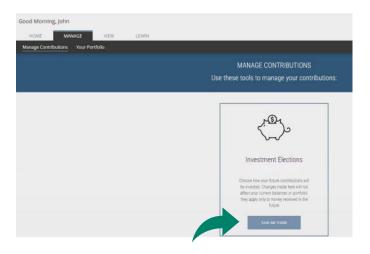

# How do I set up my investments for the first time?

This will take you from your BASIC benefit account to the SRT investment portal. You will see your *Home* screen first.

Click the Manage tab and then Manage Contributions, then hover over the Investment Elections tile and click on Take Me There.

Educate yourself about available funds. Click the icons under the *Links* heading to view a *Prospectus*, view a *Fund Fact Sheet*, or visit the *Fund Website* for any of the available funds listed.

## In the confirmation modal, click Submit again to confirm.

## Submit New Elections for All Contribution Types? X

Your future contributions will be invested as follows:

## Where do I change how my contributions are invested?

Under *Manage*, click on *Manage Contributions* and then click on *Investment Elections*. Locate your account from the dropdown list under *Choose a Contribution Type*. On the right side you can select the percentages you wish to contribute to each investment. To successfully submit your investment elections change, the new percentages must equal 100%.

BASIC | 800-372-3539 | www.basiconline.com | cda.basiconline.com | BA-5620-042924

# How do I change where my balance is invested?

You have two options to change your current investment allocation: (1) Realign Portfolio or (2) Transfer Funds.

You can realign your entire balance to fit into percentages for each fund or you can pick and choose how much of your current balance goes into each fund, by percentage or by dollar amount. To realign your current balance, under *Manage*, click *Your Portfolio*, then click *Portfolio Rebalance*.

You have the option to realign all your sources, if you have more than one source, or you can realign by source.

Click *Realign* to the right of your source. Under *Current* %, you will see what percentage of your current balance is in each fund. Under *New* %, you will select the percentage of your current balance that you want in each fund.

If you would like to transfer funds rather than realign, under *Manage*, click *Your Portfolio*, then click *Investment Transfer*.

Again, you have the option to transfer all your sources, or you can transfer by source. Click *Transfer* to the right of your source. You must select a *Transfer Type*, *Dollar to Dollar*, or *Percent to Percent*. Select your investment. The amount or percent that is available to transfer out of the fund appears at the bottom next to *Transfer Amount*. Enter in the amount to transfer out of the fund. Click *Continue*.

In the next screen, you will select where you want to place the amount that you are going to transfer into the remaining fund(s). The amount to transfer is reflected under *Amount Remaining*. When you have placed the amount, click *Transfer*.

# How do I know if my request has been processed?

On the home page, you can see your new investment elections and or investment allocation. Please note, investment election changes are an overnight process and realignments/transfers may take up to three days to process. For more detail, under *Home/Your Account* page, click *Your Portfolio* toward the bottom of the screen. In addition, a confirmation letter will be mailed to your home address the following business day after your request has been processed.

## How do I generate a statement on demand?

Investment statements are made available online on a quarterly basis following the end of the quarter and an annual basis following the end of the benefit plan year.

If you need an investment statement at any other time, under *View*, click *Performance & Statements*, then click on *Statement on Demand*. Select the time period, then click *Generate*. Statements can be saved in PDF or Excel format to your computer.

## How do I submit reimbursement requests?

After you become claim active, you may submit reimbursement requests from your online BASIC CDA account. It's quick and easy! Before you begin, be sure to have the valid verification for your expenses handy. If you have your verification saved on your computer, you can save yourself a trip to the fax machine or post office by uploading them electronically when you file your request. If you only have paper copies of your verification, you can still file your reimbursement request online, and then send your verification via fax, email, or mail to BASIC.

To submit online reimbursement requests, follow these steps:

- 1. From your online BASIC CDA account (cda.basiconline.com), click the green Request a reimbursement button.
- 2. Choose who the expense was incurred by, expense date, and expense type.
- 3. Enter expense amount and provider/merchant.
- 4. Attach verification (must contain date of service, product name or description of service provided, provider name, and recipient name (unless it is a store receipt for prescriptions or eligible over-the-counter items).
- 5. Review and submit.

## **Questions?**

Call 800-372-3539 or submit a support request through your online BASIC CDA account.
